<p>12533</p>	<p>Grant request - PADMEC</p> <p>A discussion took place on the costs of the mower in respect of the area concerned. The committee were keen to support PADMEC as they provided a free tourist attraction to the town and the residents of Polegate. Before granting the request, the committee asked for more information with regards to the following:</p> <p>A copy of this years unaudited accounts (August 2018). That they consider purchasing a more reasonable cost model. How they advertise (school? Social media? Notice Boards?) This item was deferred until the above information was produced.</p>
<p>12534</p>	<p>Budget 2019/20 available preliminary information for noting</p> <p>a) Planning The proposed £200 was noted by the committee</p> <p>b) Personnel The proposed £114,459 was noted by the committee</p> <p>c) Local Council Tax Support Grant (final year) It was noted that the support grant from Wealden District Council was to be reduced from £7571 to £3028 a reduction of just over 60%. This was a loss of £4543 which is approximately 1.36% of the Town Councils total budget (£333,754). Next year 2020/21 the grant would cease.</p> <p>d) Local Referendum Principles It was noted that under the proposed Local Government finance agreement there was unlikely to be a cap imposed on the town council.</p> <p>e) Other The committee stated that they had concerns about how Brexit may or may not affect the budget and whether there should be a contingency for this.</p> <p>Would there be public unrest, would suppliers contacts increase? The committee discussed foreign suppliers and asked the clerk to assess how many foreign suppliers they used which may be affected and to do a risk assessment for the budget.</p> <p>The clerk stated that no additional projects had been requested for the business plan or to be included in the budget.</p> <p>The council tax base would not be known until early December and the meeting had already been set to assess how this might impact on the budget.</p>

The meeting closed at 10.43 am
