12879	<p><i>NB minute 12879 was taken after minute 12880.</i></p> <p>Motion to send letter regarding the new road layout in Terminus Road, Eastbourne and its impact on the blind/guide dogs (see paperwork, verbal update Cllr Mrs M Piper)</p> <p>NB this was a verbal update, no paperwork was sent.</p> <p>A councillor spoke about the proposal and the situation at Eastbourne and residents who it had affected. They had been in contact with the Guide dogs for the blind but had not managed to meet with the Access group yet, who had now submitted their comments to Number 10. They mentioned the cost (£50,000) to train a guide dog</p>

	<p>and now there were no kerbs this was causing issues for those using guide dogs. There were major concerns about the new cubes that had been placed in the pedestrianised area and there had been a number of near misses where people were not aware that road users were able to drive along the pedestrianised area. (A number of anecdotal accounts were discussed.</p> <p>The council discussed the serious issues for partially sighted and people with hearing issues and asked that these be included in the letter.</p> <ul style="list-style-type: none"> • A question was asked whether Highways had had to have the development approved by ESCC/Highways. • Whether a report on the development scheme had been sent back to ESCC/Highways • Whether it had passed its safety audit, including for partially sighted and those with hearing difficulties and other disabilities? Access audit? • Did Highways complain about the outcome of the scheme? • Who designed this? • Who approved the cubes to be installed? • How or can guide dogs be compensated to retrain the dogs as there are no kerbs which renders their training useless. • Has the road by the railway also been assessed for safety and around the banking area as it was not clear for users that traffic can go down the road at that point. • If the reviews/safety audits show there is a clear danger to disability users, who will monitor this and when will action be taken to resolve the situation. It is understood that some of the land is privately owned but the roadway is highways/ESCC owned asset. How will they be taking responsibility for the issues arising with the scheme? • Why is this such a disaster? Did this go through planning of any kind, if so, who was consulted? • Would the portfolio holder at ESCC/Highways be prepared to walk with a partially sighted person using a guide dog to experience the issues firsthand? <p>The county councillors present were asked to request this information and report back to council. (They stated that there was a 10 day response time from the date of receiving the questions).</p> <p><u>It was resolved to delegate to the clerk to send a letter of concern in liaison with Cllr Mrs M Piper and guide dogs for the blind. VOTE 12 for Cllrs D Watts, M Falkner, Mrs W Alexander, Ms A Snell, Mrs C Berry, A Wood, D Sanders, D Dunbar, M Cunningham, J Harmer, D Murray, Mrs M Piper, D Shing 1 abstention S Shing.</u></p>
12880	<p><i>Cllr Mrs C berry left at 9pm and returned at 9.01pm</i></p> <p>Motion to delegate to the clerk in liaison with to send a letter (to be sent after 19th February 2020) on behalf of the Town Council and residents it represents to the Inspector (of the Wealden Local Plan examination), explaining the Town Council's concerns about the recent decision on the Wealden Local Plan, with an emphasis over concern regarding the numbers of homes being increased (950 to 1250 1231 dwellings per annum) and the potential affect it will have for residents (particularly lack of infrastructure, GP practices, school places, extra pressure on the hospital).</p> <p>A detailed discussion took place on the motion to send a letter to the inspector. It was emphasised that the letter was to express concerns only and highlight the issues the decision would cause to residents locally, rather than any legal challenge. (It was NOT a legal challenge to the decision). There was particular emphasis on the duty to cooperate with Eastbourne Borough Council, the NPPF guidance and the possibility that MPs should be lobbied to change the NPPF. Prime sites in Eastbourne were</p>

	<p>discussed and the possibility that they could build upwards. The Wealden Local plan and the next stages for Wealden were discussed. The council commented on the public comment and concerns that other areas housing needs had to be taken into account. It was reiterated that the letter would be to express disappointment as representatives of Polegate and not a challenge to the decision itself. Comments about localism and it not being considered was also mentioned. There was also a concern about taking into account Natural England's recommendations and some points on this were mentioned to be included. It was agreed that the letter would not be compiled/sent until after 19th February 2020 as it may need to take into consideration decisions made by Wealden district council at that meeting, although it was likely that the Wealden Local plan would be withdrawn at that meeting, but could not be considered a decision until after the meeting. (predetermination). It was agreed that the letter would be copied into the local MP and to lobby the local MP (over changes to the NPPF). Council felt it was important to represent the views of the residents, even if just expressing its dissatisfaction with the decision.</p> <p><u>It was resolved to delegate to the clerk to send a letter expressing its dissatisfaction with the inspector's decision (not a legal challenge) and to express its concerns on a number of points raised. VOTE 12 for Cllrs D Watts, M Falkner, Mrs W Alexander, Ms A Snell, Mrs C Berry, A Wood, D Sanders, D Dunbar, M Cunningham, J Harmer, D Murray, Mrs M Piper 2 abstentions D Shing, S Shing</u></p>

12868	Minutes of Finance & Policy committee meeting of 17th January 2020 <u>It was resolved to accept the minutes of the Finance & Policy meetings of 17th January 2020 as an accurate record of the meeting and were duly signed. VOTE All in favour Cllrs D Murray, D Watts, D Dunbar, Mrs M Piper, Ms A Snell, D Sanders, M Cunningham, M Falkner</u>
12869	Insurance renewal The clerk explained that the current renewal had to consider some changes that were due to happen after April 2020 when the new policy would take effect. The handover of PWMRG (Polegate War Memorial Recreation Ground) to the CIC due March – July 2020; The sale of the public toilet in the High Street and purchase of the new one due April – July 2020; the uplifts in some of the figures; the new telephone kiosks for defibrillators. The quotes had been very similar in price and would not at first glance cause any issues on renewal as the quotes received so far were also within the budget. Quotes were now being obtained from other companies based on the initial current position with uplifts and being aware that these additional items would be added to the policy at some point in 2020.
12870	Street lighting contract discussion The chair explained that the contract had been looked at in great detail and that issues surrounding the UKPN connection charges were being looked at. Once the contractors had come back it was likely that the contract would come to Finance for a final decision. It was noted that some urgent works had to take place, and these would end up being removed from the schedules of replacements. The replacements would be LED and this would tie in with the climate change issues raised in other meetings.

12887	Request to purchase redundant street lighting lantern/lamp by resident. The committee discussed the potential value for sale of the redundant lantern. The costs for highways to remove and make safe the reply was shown in the paperwork and this would have outweighed the likely sale cost. (It would have potentially sold at a loss). In the future it was expected that this may have had to be removed for safety purposes and therefore it was agreed that the resident paying for the removal so that he could keep the lantern was acceptable in this instance. New lanterns were in the region of £250/300. A discussion about the large number of phone calls and visits by the resident to the office with regards to this lantern and calls to some councilors over the years. <u>It was resolved to allow the resident to purchase/obtain the lantern by way of payment for the removal of the lantern and making safe by highways as per their quotation. Subject: One You: NHS Health Checks

Hi Jo,

As discussed last week, I have spoken to One You and they are very interested in delivering NHS health checks from their mobile vehicle (COLIN) using the Town Council's car park.

One You have stated they could provisionally look to deliver the health checks every Friday for six weeks from 10am to 3pm between 26 June and 31 July, once they have finished delivering health checks in Hailsham, Uckfield and Crowborough.

Here is a bit more detail on the health checks - One You East Sussex offer FREE 30-40 min health checks for East Sussex residents aged 40-74. It is designed to spot early signs of stroke, kidney disease, heart disease, type 2 diabetes or dementia. For further information visit <http://ow.ly/MPIW50xSjip>

Can you please let me know if these dates would be okay and if they are, I will let One You know and suggest they arrange a time with you to have a look at the car park entrance to ensure COLIN can go down the slope.

Many thanks,

Subject: PWMG Changing rooms

[REDACTED]
Further to our meeting this morning, to which we thank you for arranging and we all found very useful and informative.

I have spoken with [REDACTED] and the following are the first things that PTFC are willing to undertake at no cost to PTC.
Emulsion the walls in both changing rooms.

Paint doors, windows and skirting.

We have allowed that your [REDACTED] with the help of [REDACTED] shall rectify the damp/mould problem prior to us painting.

The other item, which is not as important but would need to be done to satisfy the Mid Sussex Football League, is to install a dividing partition within the shower room.

We would also like to move the pool table from the away team changing room and locate it in the main hall

I confirm that PTFC has the required insurance cover for us to undertake the work.
