12701	Planning Applications WD/2019/0795/F – UNIT 7 CHAUCER INDUSTRIAL ESTATE, DITTONS ROAD, POLEGATE BN26 6JF – USE FOR MINOR MECHANICAL REPAIRS OF CARS. The application and covering letter from the applicant was discussed, in particular with regards to parking and it was commented that the whole area was being gutted to provide the inspection bay. It was noted that the applicant had other units and access to other vehicle parking. The committee were surprised that on the new plan the WC was not marked and agreed to comment on this. The working times were considered suitable. <u>It was resolved to submit no objections to the application and add a comment that the WC was not marked and it was not clear whether this was being removed also. (There were no toilet of staff facilities being left in the unit, which may affect future tenants/owners.)</u> <u>VOTE All in favour Cllrs Mrs W Alexander, Mrs M Piper, J Harmer</u> WD/2019/1048/F – 15 HIGH STREET, POLEGATE BN26 5EP – PROPOSED CHANGE OF USE OF COMMERCIAL PREMISES INTO RESIDENTIAL INCLUDING ALTERATIONS TO ROOF TO CREATE 2 NO. 2 BEDROOM TOWN HOUSES. The committee discussed the application and how pleased they were that the building was at last being brought into a good state of repair after many years being left derelict. They had some concerns over the lack of parking. It was noted that the application stated it was not required. They felt that the garden could be used for parking and the front would not longer

	<p>be suitable as the front doors would be there. A councillor commented that there was a right of way directly at the rear of the houses (between the house and the garden). It was agreed that for the two houses the committee would like to see at least one parking space allocated ideally two.</p> <p><u>It was resolved to submit no objections to the application with the additional comment that council would like to see at least one, ideally two parking spaces allocated for the houses. It should also be noted that there is a right of way directly across the back of the houses. RESIDENTIAL DWELLINGS INCLUDING APPEARANCE, LANDSCAPING, LAYOUT AND SCALE)) VARIATION OF CONDITION 2 IN ORDER TO MAKE CHANGES TO HOUSE TYPES AND ELEVATIONALCHANGES. NO OBJECTIONS.</u></p> <p><u>WD/2016/2592/F – 2 SHEPHAM LANE, POLEGATE BN26 6LZ – CONSTRUCTION OF 4 NO. FOUR-BEDROOMED DETACHED HOUSES. OBJECTIONS: The Committee reiterated the objections made by the Planning Committee on the 16th July 2018, viz. issues of water and sewage and whether these had been addressed; loss of wildlife habitats. The Committee considered that the new road access shown on the revised plan was too close to the existing junction on such a narrow road, and could increase the risk to traffic and pedestrians. The Committee also stated that it believed Polegate requires smaller 1 – 2 bedroomed properties, not executive-type properties.</u></p> <p><u>WD/2019/0307/F – 22 SUNSTAR LANE, POLEGATE BN26 5HS – SINGLE STOREY REAR EXTENSION AND RAISED PATIO. NO OBJECTIONS.</u></p>

WK/201814032 – COMMERCIAL UNIT ONE, OLD POLEGATE STATION, STATION ROAD, POLEGATE BN26 6EH – PREMISES LICENCE NEW APPLICATION. NO OBJECTIONS, but three Councillors asked if consideration could be given to reducing the number of hours during which the premises will be licensed to sell alcohol.

[WD/2019/0442/MRM](#) – DITTONS FARM, DITTONS ROAD, POLEGATE BN26 6HY – RESERVED MATTERS PURSUANT TO OUTLINE PERMISSION [WD/2016/3035/MAO](#) (OUTLINE APPLICATION FOR THE ERECTION OF 78 DWELLINGS AND ASSOCIATED WORKS). OBJECTIONS: A Councillor stated that they believed this was an unnecessary development. A Councillor commented that the acoustic fence would be more in keeping with Golden Jubilee Way if it had trees planted in front of it to match the opposite side of the road, albeit this would not be possible where the fence is next to the pavement. A Councillor felt that the cladding and design of the front of the dwellings was very dark, and would be better if it were a lighter colour to make the development more pleasant in appearance.

[WD/2019/0467/MRM](#) – BRODRICKLANDS AND HAMLANDS FARM, WILLINGDON – PHASE 1 RESERVED MATTERS PURSUANT TO [WD/2016/0986/MAO](#) (OUTLINE APPLICATION) WITH ALL MATTERS RESERVED (EXCEPT FOR MEANS OF ACCESS FROM ST MARTINS ROAD AND DUTCHELLS WAY) FOR UP TO 390 RESIDENTIAL DWELLINGS, NEW INTERNAL ACCESS ROADS AND FOOTPATHS, SPORTS PITCHES AND ALLOTMENTS (INCLUDING ANCILLARY FACILITIES), CAR PARKING, OPEN SPACE, SUSTAINABLE URBAN DRAINAGE SYSTEM, AND ASSOCIATED LANDSCAPING, INFRASTRUCTURE AND EARTHWORKS FOR 155 DWELLINGS (INCLUDING 35% AFFORDABLE HOUSING). OBJECTIONS: Councillors remain opposed to this development and do not support it. They object as follows: (i) Strongly disagreed with the local Highway Authority conclusion that traffic impact is acceptable. The roads around that area are already gridlocked at peak times and busy at other times. Councillors know residents and road users do not find the current traffic flow as acceptable and are against further unsustainable development. (ii) The planning statement conclusion states the development is 'acceptable in terms of appearance, layout, landscaping and scale'. Again this is acceptable to the developers but as neighbours' letters point out is totally unacceptable to people who live in the area. (iii) The site drainage summary point number 3.54 states 'flood risk to and from the site following development is not increased'. The pages of data fail to state the common sense conclusion that water does not soak away through concrete, roads etc whereas it will soak away through fields and countryside. This summary acknowledges that a flood risk exists as stated in their sentence where they indirectly state the flood risk remains though wrongly claim it won't increase with this massive building development. (iv) The local area does not have the infrastructure for this development. (v) Pollution levels are already very high; this will add to pollution. (vi) The crime rate is on the increase; more development increases the likelihood of crime increasing with no or little police presence available. (vii) Public rights of way and remaining countryside are under threat.
