12735	Planning Applications WD/2019/1370/F – LAND TO THE REAR OF 7 SAYERLAND ROAD, POLEGATE BN26 6NU – DEVELOPMENT OF 2 NO. CHALET BUNGALOWS WITH ACCESS FROM HONEYCRAG CLOSE. The application was discussed in detail. There were serious concerns over the very small access which crossed a public footpath and was extremely close to the neighbouring property in Honeycrag Close. Although parking was provided, the bungalows had rooms which effectively made them 4/5 bedroom properties of which the council felt there was less need in that area. Access for the building works would be difficult and even afterwards as HoneyCrag Close was a small quiet road. Councillors noted an alteration to the site boundary of which it appeared that Wealden District Council had been informed, but no further information was available. There were concerns about the large oak tree which could possibly be affected by the development. There were also concerns about the waste water, as there was a proposed link to the mains sewerage system. Councillors commented that the

	<p>development was too large and nothing else had been done like that in the nearby location. A councillor stated that she felt it was overdevelopment on that area of land. (Garden grabbing) and that although there was space for it, it was overdevelopment. It was noted that there had been some neighbour objections. It was agreed that the access was not suitable at all and being so close to the footpath (crossing it) the entrance was far too narrow and at a diagonal angle.</p> <p><u>It was resolved to submit objections on the grounds of the access being unsuitable, being too narrow, crossing a footpath and being at an angle (as detailed above), concerns about the conflict with the footpath, neighbouring properties, especially during any development phase and afterwards and it was also considered to be overdevelopment. Vote All in favour of submitting the above objections and comments. Cllrs Mrs W Alexander, M Falkner, Mrs M Piper</u></p>
