The committee discussed the application and could find no additional information which satisfied the members that there was a good reason to remove the affordable housing. It was resolved to strongly object to the modification of the S106 agreement, which would remove the affordable housing requirements. It was felt that not only would this be inappropriate but may also set a precedent on other applications. VOTE All in favour of submitting the objection Cllrs Mrs M Piper, B Goodwin, M Falkner</p>

12466	<p>Planning Applications</p> <p>WD/2018/1342/F – LAND ADJOINING 74 BROOKSIDE AVENUE, POLEGATE BN26 6DQ – PROPOSED NEW DWELLING.</p> <p>The committee discussed the application in great detail. There were concerns over the fact that a porch would need to be demolished to be able create the new house. The house would be very close to a neighbouring property in Guardian Court and as it had an upstairs the committee were concerned about privacy, light noise and other factors and felt that the application for a 3 bed was over development. The committee felt that a one to two bed with no bedroom upstairs would be much more acceptable. The access did not appear to be an issue due to the location. There were concerns that as this was not a walk through road, some of the neighbouring properties may not know about the application even though the appropriate sign was on the gate post. The committee felt that although it was better than what was there, a 3 bed property was considered to be overdevelopment and the knocking down of the porch shows that it was being squeezed in. It was agreed that the upstairs element would have too much impact on neighbouring properties and would not be in keeping with the area.</p> <p>It was resolved to object to the above application on the grounds that it was being squeezed in and over development and the upstairs would have an impact on neighbouring properties (overshadowing, noise, privacy) who may not even be aware of the application. VOTE All in favour of submitting the objection Cllrs Mrs M Piper, B Goodwin, M Falkner</p> <p>WD/2018/1412/F – CO-OP PETROL AND FILLING STATION, HAILSHAM ROAD, POLEGATE BN26 6QL – DECORATION OF SHOP FRONT DOORS AND FRAMES, INSTALLATION OF 1 NO.
