The Council's officers are staff who are employed to carry out the day to day functions of the Council and make sure that its services are provided for the local community. The Town Clerk is the Proper Officer for the Council which means she has overall responsibility for the provision of Council services. The Council employ a maintenance person, litter picker, cleaner/caretaker and office staff. They frequently have direct contact with members of the public and naturally have to field questions and enquiries. The ability to do this effectively and courteously is as important as any other element of the Council's work in the community and can give good feedback on the views of the people on the services offered by the Council.

The Council is always considering practical ways of engaging with people and the community

The Council is committed to creating and maintaining effective working relationships with all sectors of the community, based on trust, openness and constructive challenge.

Outcomes of the strategy will include:

- Improved communication through the establishment of new channels of engagement;
- More residents understanding the role of Councillors and getting the best effect;
- Improved engagement with local communities, with more people feeling that they are involved in
- Decision-making and a higher percentage of people involved in volunteering;
