

STREET CLEANING

As a result of Wealden District Council reducing it's budget, the Council does not have any services for street cleaning. However, the Council will respond to complaints and investigate whether any areas need cleaning.

NEW PROPOSED CHARGES FOR GREEN WASTE COLLECTION

I am pleased to report that Wealden District Council has abandoned the proposal to add new charge for green waste collection.

TOWERMILL PLACE

Wealden District Council has submitted a planning application to build houses at Towermill Place.

I would like to thank all the local residents for meeting with us to discuss their concerns and, also, for the valuable comments they have made regarding the development of this site.

SOUTHFIELDS

East Sussex County Council's Highways have arranged for the contractor to repair all the large potholes in Southfields, Polegate.

C40 - JEVINGTON ROAD

The surface dressing works on the C40 Jevington Road, Jevington are still programmed for 10 August 2012. We do not currently have a date for the lining works, but these are usually carried out about a week after the surface dressing works.
