

TAXI CHARGES

A number of residents have reported to us that they are confused with the charges when then they use the taxis at Polegate rail station. For the same journey, the cost can vary. Residents have suggested that it would be worth agreeing a fixed price with the driver if the destination is in the rural areas and asking if the fare is "rate 1", in addition passengers are not obliged to use the first taxi in the queue. I will continue to press Wealden District Council to agree a fair and transparent charging policy.

TOWERMILL PLACE

Wealden District Council's planning committee has given the go ahead for the re-development application for Towermill Place for 16 units of affordable houses and is expected to be completed in 2014.

C40 - JEVINGTON ROAD

The surface dressing works on the C40 Jevington Road, Jevington on 10 August 2012 had completed.

FOOTPATH OVERGROW

East Sussex County Council's highways have confirmed that the footpath between Hailsham Road and Honeycrag Close works will take place in the coming week.

Cllr Daniel Shing
