

TOWERMILL PLACE - UPDATE

As previously reported to you, the Towermill Place site will not become a new health centre as previously planned, Wealden District Council now has plans for re-development of the site for council housing. Wealden District Council recently employed an Employers Agent who will be taking care of the day to day running of the projects, and an Architect who will be present shortly to draft proposals.

As you know this site is within Willingdon & Jevington Parish boundary, therefore its future use will be more for Willingdon & Jevington Parish residents. As Cllr Stephen Shing requested, Polegate Town Council will have a special meeting on this planning application in the coming weeks.

LDF Core Strategy Public Examination

As we reported to you before about the Housing Plan “Local development Framework”, The Secretary of State has appointed the Planning Inspector, Mr Moore, to proceed with the Core Strategy Examination. The hearing sessions and public examination will take place between 17th January and 2nd February 2012.

We are appearing at the public examination most of those hearing session days.

Of course, we are so pleased to see so many of our town councilors attended too.

May I take this opportunity to wish you All a Happy New Year.

Wealden District Councillor Oi Lin Shing 30th January 2012
