i. Oakleaf Park update and decision required

A report had been circulated to all councillors prior to the meeting and noted by all present. A councillor stated that the equipment had been there for many years and would need replacing when funds permitted. He felt that it was a vital park for the North of Polegate and should be replaced. He stated that any items that became dangerous should obviously be replaced or removed.

The clerk stated that they were not dangerous but were at the end of their life.

A councillor commented that the site was important and that he had a request from the school children for swings there.

A councillor commented that the school children also used the park and the park should still be aimed at small to junior aged children.

A councillor commented that there was no budget for this and it should be included in the business plan for replacement.
