e) Noting of the comments from the external auditor and action being taken – review of systems in internal control are being prepared for a future meeting along with amendments to the Financial regulations and Standing Orders from the new models.

A councillor commented that it appeared that the way things were going councillors were being required to take more responsibility for budget setting and asked how the clerk could clarify as not all councillors could be qualified accountants. The clerk stated that there would be further information on the next full council meeting agenda as on receiving the audit she had rung the external auditors, which had said that they accepted that Polegate Town Council was a well run council, but that they needed further information and would not allow the clerk to submit anything further. The clerk was aware that other councils had been given the opportunity to submit further information but that had not been extended to Polegate Town Council. The clerk stated that in the interim she was doing a large quantity of background work that would ensure that this was addressed for the next audit and that for next years audit as many eventualities were covered that could be raised at the following audit. It appears that the Government wish that all councils take FULL responsibility for all finance matters, decisions and the budget (setting from zero). The clerk stated that Polegate Town Council had not yet adopted the new financial regulations and this was also being worked on as a change in some systems may be required and she was looking at that for future meetings. The clerk stated that from the audit and internal control point of view she had been told by external

	<p>audit that they could not have this delegated to a Finance committee, any review would have to be carried out by full council and minuted as such. (Therefore although all of the procedures are being adhered to, full council themselves MUST now review this and minute to show that it has reviewed this). The clerk stated that the council may need to set up an internal control and internal audit review committee but that report MUST be considered in full at a full council meeting.</p> <p>The councillor stated that it has always been like that, Council has always been responsible for its expenditure but that it had employed an RFO to do that for them. The clerk confirmed this, but that all minutes must show that council has taken those decisions and they could NOT be delegated at all.</p> <p>The councillor asked what the fundamental difference was. The clerk stated that Council HAD to make those decisions and they could not be delegated at all, not even to a finance committee. (some decisions).</p> <p>Another councillor stated that he viewed it as <u>every</u> decision that was made was the responsibility of each and every councillor.</p> <p>A councillor stated that the clerk was already assisting in the changeover but he had concerns over the amount of changes that were happening.</p> <p>D Shing arrives at 8.28pm</p>	
<p>11102</p>	<p>Grant request</p> <p>a) Cuckmere Community Buses</p> <p>Cllr S Shing declared a non prejudicial interest as he stated he was often invited to the AGM and events.</p> <p>A councillor asked how much was left in the budget. The clerk stated £4000 and that had to last until 31st March 2015.</p> <p>A councillor stated that she thought it was a good service and suggested either £1000 or £750 would be a good amount to donate. Another councillor suggested £450. A discussion took place on the merits of the service and those who volunteer to provide that service. Another councillor stated that he wished to donate £500 maybe a little more.</p> <p>Two proposals were submitted one for £450 and one for £750</p> <p>The motion to grant Cuckmere Community Bus £450 was seconded.</p> <p>VOTE 4 for Cllrs J Harmer, G Gibbs MBE, E Board, D Broadbent 3 against Cllrs Mrs M Piper, M Cunningham, M Clewett. 1 abstention S Shing Motion carried.</p> <p>It was suggested that the clerk could add to the grant letter that they were welcome to reapply near the end of the year.</p>
