9293 **Minutes of the meeting held on 14th June 2010**
The minutes of the meeting held on 14th June 2010 were agreed and signed by the Chair.

9294 **Opportunity for Public Comment**
Standing Orders Suspended
5 members of public spoke with objections to planning application WD/2010/1311/F The members of the public stated that the business was already noisy and the Increase in development would make it unbearable especially as it appears to be Working at very unsociable hours. The development is surrounded by resident Housing and there appears to be no consideration for the loss of privacy and Overlooking of the properties. On the plans there will be an extra 48 members of Staff and only 11 parking spaces which means that there will be parking on the Road. Letters have been sent to WDC and surveys for noise pollution have taken Place. The production line is already up and running and generators are running all Day and all night. 5 air conditioning unit are on all day and all night which means That neighbouring houses cannot open windows at night as there is too much noise.

Standing Orders Re-instated

9295 **Planning applications**
WD/2010/1311/F Former warehouse coaches site, Dittons Road, Polegate
Erection of two production buildings with hostel accommodation above for Employees and extension and alterations to workshop/storage building to form Office, staff room and toilets and new external cladding and doors.

A lengthy discussion took place and it was felt that the location is totally unsuitable For a hostel and production building especially considering working 7 days a week And the design is an overbearing dominance within the surrounding residential Properties. There would also be a highways issue if forklifts are proposed to tow on To the main highway.
It was voted (7 in favour and 1 abstain) to object to this planning application on the Following Grounds – Policies
EN29 – Light Pollution

TR1 – Environmental impact of new road proposals
HG3 – Phasing of housing land
NE4 – Pollution
BE19 – Hazardous Site
TR16 – Car Parking Standards

The development would be inappropriate, out of keeping with area, over Development and noise and light pollution.

WD/2010/1462/F 48 Gosford Way Polegate Bn26 6DP
Alteration to Planning Permission WD/2008/2327/F to provide gable roof to Rear extension.

9296

Any other plans received prior to meeting

WD/2010/1492/F 17 Spurway Park Polegate BN26 5DQ
Rebuild of Conservatory on new piled raft foundation.

It was agreed that Polegate Town Council would not comment on this application As it was felt that as it was an insurance claim against the Council it would be Inappropriate.

WD/2010/1511/F 8 Brightling Road Polegate Bn26 5DB
Alterations to ground floor layout. Change roofline to form accommodation in
Roofspace.

It was voted by 5 in favour (casting vote Cllr J Rogers) and 4 against objecting to
the planning application on
The following grounds and policies -

Over Development – EN27 and BE1
Out of keeping with street scene – EN27 and BE1

WD/2010/1373/F Land adjoining Polegate Station, Polegate BN26 6AQ
Erection of a stone memorial.

After a lengthy discussion, concerns were raised as it was felt that the stone would
Be in a very prominent position and that area has a known record for anti-
Social behaviour and Council does not want the memorial stone to become a target
As it is for such a worthy cause.

It was voted and agreed 7 in favour and 1 abstention to approve but with the
Councils concerns.

Planning updates and general information

Cllr R Martin spoke regarding the process when objecting to planning applications. It has been requested by WDC that policy numbers must be stated on the Consultation sheets when objecting to a plan.

21st July 2010 7.30pm St Johns Church Hall for a Special Town Council meeting

Regarding Honey Farm Polegate Appeal APP/C1435/A/10/2130580.

Members from CPRE will be in attendance at the meeting.

Polegate Town Council has registered for Rule 6 Status on this application.

The advantage of Rule 6 is that when it goes to Public Inquiry the Council will Automatically be copied into any information that Pelham Holdings provide for the Hearing.

Cllr T Voyce stated that a press release had come into his possession today stating That Mr E Pickles MP for Brentwood stated on 6th July that "today I am taking the first step to deliver our commitment in the coalition agreement to rapidly abolish Regional Spatial strategies and return decision making powers on housing and Planning to local councils by revoking Regional Strategies. Regional Strategies added unnecessary bureaucracy to the planning system. They Were a failure. They were expensive and time consuming."

This means that the 11,000 houses for Wealden no longer exists and that the Number is for negotiation. The Local Development Framework policy must be Confirmed at the earliest convenience as to the housing policy for the next 5 years. Cllr R Martin will be chasing WDC to encourage this to be completed.
