<b>11402</b>	<b>Planning Applications</b> <b>WD/2015/1295/F 50 West Close, Polegate BN26 6EL erection of 7 No chalet bungalows together with access road</b>  The application was discussed in detail with regards to the number of the proposed properties and the size of the plot. Concerns were also voiced with regards to the access and a councillor commented that there was nothing in the paperwork that detailed who would be responsible for the creation of the road and the subsequent maintenance of that road. Concerns over the lack of adequate sewerage facilities and the expectation of the installation of a cess pit for the waste. There were also concerns about the number of trees being felled and the three trees that are covered by TPOs on the site. Councillors discussed the actual accommodation and commented that they did not feel that they were chalet bungalows but were in fact 4 bedroomed houses. <i>Standing orders were suspended</i> to ask an interested party who was in the public gallery for more information. The resident stated that he lived in No. 50 and knew that the developer planned to construct the road and if ESCC did not adopt the road the houses in that development would be responsible for the upkeep. <i>Standing orders reinstated</i> A councillor commented that she felt 7 was too many on that site, 5 had already been approved and was a reasonable number. She felt that because of this it was overdevelopment. Another councillor stated that he felt it was out of character for the area as there would be a lot of traffic movements to and from that development and the road was very small and narrow. A discussion took place on the number of trees to be felled (14) and the (3) TPO trees on the site. A councillor commented that there was no written explanation of the road

	<p>construction and whilst he had heard from the resident he felt this was a concern that merited comment in the response to Wealden.</p> <p><b>It was resolved to submit objections on the above application on the grounds of it being overdevelopment, concerns also for the responsibility of the construction and adoption of the proposed access and concerns over the sewerage facilities and ability for the sewerage system to cope. VOTE All in favour of submitting the above objections For Cllrs Mrs W Alexander, Mrs M Piper, D Watts, Martin Falkner, T Bennett, B Goodwin</b></p> <p><b>WD/2015/1356/F - 9 Hailsham Road, Polegate BN26 6NJ – Proposed Single Storey Rear Extension</b> A discussion took place on the merits of the application. <b>It was resolved to submit no objections to the above application. VOTE All in favour of submitting the above objections For Cllrs Mrs W Alexander, Mrs M Piper, D Watts, Martin Falkner, T Bennett, B Goodwin</b></p>
