The clerk informed committee that she had been viewing the section 106 agreements on this planning application.

9594 Correspondence for information only

The clerk reminded the committee that the LDF documents were in the offices for the public to view, along with guidance notes on how to complete the forms.

9595 Planning Updates and General Information

The Honey Farm appeal was discussed. The clerk had received an email regarding the signing of the unilateral agreement by the appellant. Cllr Rogers explained that the agreement was non prejudicial to the appeal and was in the event of the appellant being successful. It included school, community centre, finger post signage, and allotment land allocation. The committee were also advised that Wealden still held the monies for the section 106 for any Shepham funds and they may spend that on what they preferred, Polegate Town Council were unable to influence Wealden further. A councillor asked about the Drs surgery and was advised that the appellants had agreed to build a surgery, but the resident's evidence day stated that the Drs were unable to afford to run one on site.

The clerk and Cllr Rogers (chair of Planning) had attended the appeal site visit and both commented on the poor state of the "BIFFA" site. The clerk was asked to see if it would be possible to find out who regulates the site and ask if the site could be kept tidier, as from the development side the site was extremely unsightly and in a poor state. The clerk agreed to look into this and report back.

The clerk was asked when the Council was likely to know the outcome of the appeal. The clerk informed the committee that it was expected around summer June/July time.

The clerk was asked about the South Downs National Park meeting. The clerk said she would look into the matter and report back to the councillor.

A councillor asked if there were plans for an allotment on the Highways agency land at Sayerland Lane. The clerk said that she did not know of any plans and the resident may have got mixed up with the section 106 request for allotment land on the Honey Farm appeal site.

The Meeting closed at 8.10pm
