

The Wealden & Lewes Handyperson Scheme

If you live in the Wealden or Lewes districts, you might be able to receive low cost help with small repairs and adaptations to your home.

This scheme is especially for vulnerable people meeting the following criteria:

- People of retirement age
- People with physical or sensory disabilities
- Adults with learning disabilities, or mental health problems
- Vulnerable older or disable people to avoid hypothermia and falls
- To help older people leave hospital and remain living in their own homes
- For those who care for any of the above clients

For a small charge plus the cost of the materials, the Handymen can carry out the small repair jobs, fit security locks, improve access to and from your property, fit hand rails and grab rails, put up curtains, carry out small plumbing jobs, repair fencing and fit and supply keysafes, carbon monoxide detectors, small decorating and gardening jobs.

If you want to find out more please contact
